

What Have I Done (Full Version)

Taps

I still remember lying on the floor
I still remember trying figure this all out
My body bruised with no one left to call
So many questions, running through my head
Saying what have I, what have I done
Will you stay, will you stay here with me
Cause I don't wanna be alone, be alone, I don't wanna be alone
No, No
Don't leave me here on my own
I don't wanna be alone
I still remember crying all the time
I still remember so many sleepless nights
Don't turn out all the lights
I need somebody here
My mind won't go to sleep
It keeps crying out
What have I, what have I done?
Will you stay here with me
Cause I don't wanna be alone, be alone, I don't wanna be alone
No, No
Don't leave me here on my own
I don't wanna be alone
I know nobody wants feel alone
There's gotta be somebody to save me
Tell me what have I
What have I done?
Will you stay? Will you stay here with me?
Cause I don't wanna be alone, be alone
I don't wanna be alone
Don't leave me here on my own
I don't wanna be alone
