

Have Yourself a Merry Little Christmas

[3LW](#)

Have yourself a merry little Christmas
Let your heart be light
From now on our troubles will be out of sight
Have yourself a merry little Christmas
Make your Yuletide gay
From now on our troubles will be miles away
Here we are as in olden days
Happy golden days are yours
Faithful friends who are dear to us
Gather near to us once more
Through the years we'll all be together
If the fates allow
Hang a shining star above the highest bow
And have yourself a merry little Christmas now
