

Fortune Faded

Red Hot Chili Peppers

They say in chess you've got to kill the queen and then you made it

Oh I, do you

A funny thing, the king who gets himself assassinated

Hey now, every time I lose

Altitude You took a town by storm the mess you made was nominated

Oh I, do you

Now put away your welcome soon you'll find you've overstayed it

Hey now, every time I lose

Altitude So divine

Hell of an Elevator

All the while my fortune faded

Never mind, the consequences of the crime this time my fortune faded The medicated state of mind

You'll find is overrated

Oh I, do you

You saw it all come down and now its time to imitate it

Hey now, every time I lose

Altitude So divine

Hell of an Elevator

All the while my fortune faded

Never mind, the consequences of the crime this time my fortune faded Come on God do I seem bulletproof? So

divine

Hell of an Elevator

All the while my fortune faded

Never mind, the consequences of the crime this time my fortune faded So divine

Hell of an Elevator

All the while my fortune faded

Never mind, the consequences of the crime this time my fortune faded
