

I Wanna Be With You

Eric Carmen

If we were older
We wouldn't have to be worried tonight Baby oh, I wanna be with you so bad
(Yeah, I wanna be with you)
Oh baby I wanna be with you, oh yeah
(Yeah, I wanna be with you) Well tonight's the night
We always knew it would feel so right
So come on baby
I just wanna be with you Someday's a long time
And we've been waiting so long to be here Baby oh, I wanna be with you so bad
(Yeah, I wanna be with you)
Oh baby I wanna be with you, oh yeah
(Yeah, I wanna be with you) Well tonight's the night
We always knew it would feel so right
So come on baby
I just wanna be with you Hold me tight
Our love could live forever after tonight
If you believe in what we're doin' is right
Close your eyes and be still, whoa, baby yeah Baby oh, I wanna be with you so bad
(Yeah, I wanna be with you)
Oh baby I wanna be with you, oh yeah
(Yeah, I wanna be with you) Well tonight's the night
We always knew it would feel so right
So come on baby
I just wanna be with you Oh, I wanna be with you so bad
(Yeah, I wanna be with you)
Oh baby I wanna be with you, oh yeah yeah yeah yeah
(Yeah, I wanna be with you) Baby, I wanna be with you so bad
(Yeah, I wanna be with you)
Oh darlin' I want to be with you, oh yeah yeah yeah yeah
(Yeah, I wanna be with you)
Oh, I wanna be with you, yeah
