Centuries

Stars of Track and Field

Some legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
(Hey yeah, oh hey, hey yeah)
Remember me for centuriesMummified my teenage dreams
No, it's nothing wrong with me
The kids are all wrong
The stories are off
Heavy metal broke my heartCome on, come on and let me in
The bruises on your thighs like my fingerprints
And this is for tonight
I thought that you would feel
I never meant for you to fix yourselfSome legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
(Hey yeah, oh hey, hey yeah)
Remember me for centuriesAnd I can't stop 'til the whole world knows my name
'Cause I was only born inside my dreams
Until you die for me, as long as there is a light
My shadow's over youÂ 'cause I am the opposite of amnesia
And you're a cherry blossom
You're about to bloom
You look so pretty, but you're gone so soonSome legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history

Remember me for centuries
(Hey yeah, oh hey, hey yeah)
Remember me for centuriesWe've been here forever
And here's the frozen proof
I could scream forever
We are the poisoned youthSome legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
(Hey yeah, oh hey, hey yeah)
We'll go down in historyÂ (hey yeah)
Remember me for centuries
