

# Centuries

## Stars of Track and Field

Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries  
(Hey yeah, oh hey, hey yeah)

Remember me for centuriesMummified my teenage dreams  
No, it's nothing wrong with me  
The kids are all wrong  
The stories are off

Heavy metal broke my heartCome on, come on and let me in  
The bruises on your thighs like my fingerprints  
And this is for tonight  
I thought that you would feel

I never meant for you to fix yourselfSome legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries  
(Hey yeah, oh hey, hey yeah)

Remember me for centuriesAnd I can't stop 'til the whole world knows my name  
'Cause I was only born inside my dreams  
Until you die for me, as long as there is a light  
My shadow's over youÂ 'cause I am the opposite of amnesia  
And you're a cherry blossom  
You're about to bloom

You look so pretty, but you're gone so soonSome legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history

Remember me for centuries  
(Hey yeah, oh hey, hey yeah)  
Remember me for centuries  
We've been here forever  
And here's the frozen proof  
I could scream forever  
We are the poisoned youth  
Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries  
(Hey yeah, oh hey, hey yeah)  
We'll go down in historyÂ (hey yeah)  
Remember me for centuries
