

Rain On Me

Tamia

I've been drowning in my own tears
Wasting time running from my fears
When all the while you've been right here
Waiting on me
If I'd have told you what I been going through
You would have let me know just what to do
Now I know the answer lies in you
This is my prayer 'cause I've been hurt so bad (Hurt so bad)
Sometimes it makes me sad (Woah ooh)
Would you rain on me? (Would you please rain on me, oh yeah)
I don't understand (oh)
This was not my plan (This was not plan, no)
Would you rain on me? (I'm begging please)
Don't stop the rain Sometimes I felt all alone
Nothing or no one to call my own
But you're the only one who would be
Faithful forevermore
Deep down inside my soul
You're the only one who really knows
What I need to make me whole
So I can smile again, I've been hurt so bad (Hurt so bad)
Sometimes it makes me sad (So sad)
Would you rain on me? (Would you rain on me, oh yeah)
I don't understand (Oh)
This was not my plan (This was..not my plan)
Would you rain on me? (Would you please rain on me, oh, I'm)
Don't stop the rain
I've been hurt so bad (Dieing in a thirsty land)
Sometimes it makes me sad
Would you rain on me? (Would you please take my hand)
I don't understand (You're the owner of my heart)
This was not my plan
Would you rain on me? (How could we ever be apart, oh)
Don't stop the rain (Rain on me!) Rain on me, show me love
I'm waiting on you
Yes, I know sometimes it's rough
Tell me what to do, oh Rain on me, show me love (Oh, yeah)
I'm waiting on you
You said that I could trust in you

That's what I'm going to do, oh I've been hurt so bad
Sometimes it makes me sad
Would you rain on me? (I really need you, I really need you)
I don't understand (Don't understand, oh)
This was not my plan (Oh, no no)
Would you rain on me? (Rain on me)
Don't stop the rain (Oh...) I've been hurt so bad
Sometimes it makes me sad
Would you rain on me? (Rain on me, rain on me)
I don't understand (No, no)
This was not my plan (No)
Would you rain on me?
Don't stop the rain (Don't stop the rain) I've been hurt so bad (Don't stop the rain)
Sometimes it makes me sad (Don't stop the rain)
Would you rain on me? (Don't stop the rain)
I don't understand (Oh no no no)
This was not my plan (No)
Would you rain on me
Don't stop the rain I've been hurt so bad
Sometimes...
