In Memory

Clock Opera

Do you want me as I am???
Do you want me as I was
Do I still do things that made you fall in love
Oh cause I won't ever change
I'll never change
I won't ever change
I will never change
I won't ever change
If I never change for you
Do you want me as I am
Can you tell me what you wanted in a way I'll understand
Do you want me as I'll be
Do you I give you what you thought you'd get when you came with me
We got what
We wished for
And we -- for every and every
We got what
We wished for
Dumbstruck revery
We got what
We wished for
Everyone's gonna sing --
Do you want me as I am???
Do you want me as I was
Do I still do things that made you fall in love ---
Do you want me as I am
Can you tell me what you wanted ---
Do you want me as I am???
