

Louisiana Christmas Day

Aaron Neville

Im a family man, I wasnt born to roam
But it seems like every Christmas time
It makes me farther from my home I love singin my song, but it gets me down
To hang my stockin in some hotel
When the fat man comes to town But, its alright, its gonna to be okay
'Cause this year Ill be home, come a Louisiana Christmas day
Ohh, mama, Im gonna find a way
Your little boy's comin on home, come a Louisiana Christmas day Way up in the bayou thought there wont be
snow
But my friends all invite me round
For a Christmas fay do-do Im gonna hop a plane or rather use my thumb
But you best believe Ill be round that tree
When Christmas morning comes Ohh, its alright, its gonna to be okay
Your little boy's comin on home, come a Louisiana Christmas day
Ohh, let the god times roll, [Incomprehensible]
Your little boy's comin on home, come a Louisiana Christmas day But, its alright
(Alright)
Its gonna be okay
(Gonna be okay)
Ill be home
(Ill be home)
Come a Louisiana Christmas day Oh, mama
(Mama)
Im gonna find a way
(Gonna find a way)
Yeah, Ill be home
(Ill be home)
Come a Louisiana Christmas day But, its alright
(Alright)
Its gonna be okay
(Gonna be okay)
Ill be home
(Ill be home)
Come a Louisiana Christmas day Oh, mama
(Mama)
Im gonna find a way
(Gonna find a way)
Yeah, Ill be home
(Ill be home)

Come a Louisiana Christmas day
