# One Shot

## JLS

She's the kinda girl boys read about in magazines, glossy magazines
She is the only one i think about leading lady in my dreams
Hey I have waited so long, to gather up my courage she has got me love drunk fumbling my words
Times running out, gotta do it now
She's the one i cannot live withoutYeah.. she's the one i cannot live without
Yeah.. yeah.. yeah.. yeahYou only get one shot so make it count
You might never get this moment again
The clock is ticking down, it's the final round
So tell me what it is thats stopping you now
You never know unless you try
You'll only regret, sitting wondering why
You only get one shot so watch this moment go by when love's on the lineI never thought that i would get the chance to tell this girl how i feel, tell her how i feel
Sometimes i pinch myself a mile away, this can't be real, this can't be real
Move faster can't wait any longer, gotta do something before she gets away
Do it like a movie, take her by the hand, i'm gonna love this girl until the endYou only get one shot so make it count
You might never get this moment again
The clock is ticking down, it's the final round
So tell me what it is thats stopping you now
You never know unless you try
You'll only regret, sit and wounder at night
You only get one shot so watch this moment go by when love's on the lineWhen love's on the lineWhen love's on the lineShe is the definition of beautiful she knocks me off my feet
I'ma tell her she's my everything,tell her that she's all i need, that i know she's the reason my heart beats goes like
Da da da..D Da da daYou might never get this moment again
You might never get this moment again (yeah)
You only get one shot so make it count (make)
You might never get this moment again (never get this moment again)
The clock is ticking down, it's the final round (it's the final round)
So tell me what it is that's stopping you now (stopping you know)
You never know (never know) unless you try (unless you try)
You'll only regret sitting wondering why (wondering why)
You only get one shot so watch this moment go by
when love's on the lineWhen love is on the line, when love is on the line, when love is one the lineWhen love's on the line (one shot one chance one try)When love's on the line.
