Someone Like You

Hayden Panettiere

[Hayden:]I've waited so long
For a boy like you
To make things perfect
Fantazilating and true
[Watt:]I've waited, too
For someone like you
To make things perfect
Dancing and sharing and dreaming we do
[Both:]Both of us searching
And racing through space
On an endless afternoon
I wish I could find the mysterious man in the moon
You hopeful smile gives me courage to see
What our love is made of
Making things perfect
I need a boy like you
(I need a girl like you)
I need a boy like you
(I need a girl like you)

I've waited so long
(I've waited so long)
For a boy like you
(For a girl like you)
To make things perfect
Sharing my secrets with you
I've waited, too
(I've waited, too)
Your eyes so true
(Your eyes so true)
Keeping my secrets
Giving me treasures and a sense of our love
Both of us searching
And racing through space
On an endless afternoon
I wish I could find the mysterious man in the moon
You hopeful smile gives me courage to see
What our love is made of
Making things perfect

I need a boy like you
(I need a girl like you)
I need a boy like you
(I need a girl like you)
