

Someone Like You

Hayden Panettiere

[Hayden:]I've waited so long

For a boy like you

To make things perfect

Fantazilating and true

[Watt:]I've waited, too

For someone like you

To make things perfect

Dancing and sharing and dreaming we do

[Both:]Both of us searching

And racing through space

On an endless afternoon

I wish I could find the mysterious man in the moon

You hopeful smile gives me courage to see

What our love is made of

Making things perfect

I need a boy like you

(I need a girl like you)

I need a boy like you

(I need a girl like you)

I've waited so long

(I've waited so long)

For a boy like you

(For a girl like you)

To make things perfect

Sharing my secrets with you

I've waited, too

(I've waited, too)

Your eyes so true

(Your eyes so true)

Keeping my secrets

Giving me treasures and a sense of our love

Both of us searching

And racing through space

On an endless afternoon

I wish I could find the mysterious man in the moon

You hopeful smile gives me courage to see

What our love is made of

Making things perfect

I need a boy like you
(I need a girl like you)
I need a boy like you
(I need a girl like you)
