

# Wild About My Lovin'

Imelda May

Sargent,

Sargent, please

The men around here won't send me no ease  
And I'm wild about my lovin', and I like my fun

Oh yeah

If you want me to be a girl of yours, babe  
Bring it with you when you come He ain't no Iceman, no iceman's son  
But he can sure keep me cool 'til my iceman comes

And I'm wild about my lovin', and I like my fun

Oh yeah

If you want me to be a girl of yours, babe  
Bring it with you when you come Don't want no sugar in my tea  
'Cause the man I love is sweet enough for me

And I'm wild 'bout my lovin', and I like my fun

Oh yeah

If you want me to be a girl of yours, babe  
Bring it with you when you come He ain't no fireman, no fireman's son  
But he can sure keep me hot 'til my fireman comes

And I'm wild 'bout my lovin', and I like my fun

Oh yeah

If you want me to be a girl of yours, babe  
Bring it with you when you come If you want me to be a girl of yours, babe  
Bring it with you when you come If you want me to be a girl of yours, babe

Bring it with you when you come
