

# Shimmer Like Gold

Jill Andrews

In a golden state of our minds  
We will find  
There's treasure everywhere that hides  
Locked inside  
No, I'm not that strong  
Move along  
The road goes on, and on and on  
What a beautiful site  
We know that's right

Meet me at the riverside  
And wash it all away  
See what's underneath it all  
And how we are the same

We share, we share, we share  
The California gold  
This is what we're made to do  
Every part of me and you  
We find, we find, we find  
The shimmer is inside  
So sit back enjoy the view  
Illuminate that part of you

Shimmer like gold (shimmer like gold)  
Shimmer like gold (shimmer like gold)  
Shimmer like gold (shimmer like gold)  
Shimmer like gold (shimmer like gold)

There's a golden gate in our minds  
Sit in tight  
A treasure that is deep inside  
Come alive
