

Mad World

Tears For Fears

All around me are familiar faces
Worn out places, worn out faces
Bright and early for their daily races
Going nowhere, going nowhere
Their tears are fillin' up their glasses
No expression, no expression
Hide my head I want to drown my sorrow
No tomorrow, no tomorrow
And I find it kind of funny
I find it kind of sad
The dreams in which I'm dyin'
Are the best I've ever had
I find it hard to tell you
'Cause I find it hard to take
When people run in circles
It's a very, very
Mad world, mad world
Mad world, mad world
Children waitin' for the day they feel good
Happy birthday, happy birthday
Made to feel the way that every child should
Sits and listen, sits and listen
Went to school and I was very nervous
No one knew me, no one knew me
Hello teacher tell me what's my lesson?
Look right through me, look right through me
And I find it kind of funny
I find it kind of sad
The dreams in which I'm dyin'
Are the best I've ever had
I find it hard to tell you
'Cause I find it hard to take
When people run in circles
It's a very, very
Mad world, mad world
Mad world, mad world
And I find it kind of funny
I find it kind of sad
The dreams in which I'm dyin'

Are the best I've ever had
I find it hard to tell you
'Cause I find it hard to take
When people run in circles
It's a very, very
Mad world, mad world
A raunchy young world
Mad world
