

The Solutionists

Satellite Party

Today we all got to be brave
We all got to be brave Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue They set themselves against I
They set my pride on fire
Phoenix always rises high
Rebel crusaders Today we all got to be brave Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue The paradox of poverty
Has left us dismayed
Sliding democracy
Washing away
The toil of the many goes
To the fortunate few The Revolution Solution
Oh I've come to join you Yeah I'm coming
I'm coming
You know
You got to be brave
You got to be brave
