Hoods

Society made me what I am
That's bullshit
You're a white suburban punk just like me
Im so sick, you fucking pigs
Putting strains on my life
Spreading all your fucking threats
Just a bunch of fucking lies
You're just a fucking cop
No better than me
You're my fucking enemy
Blow off your fucking head
A kick to the face
You're a pussy with a badge
You fill me with hate
Blow off your fucking head
A kick to the face
You're just a pussy ass cop
Im so sick, you fucking pigs
Putting strains on my life
Spreading all your fucking threats
Just a bunch of fucking lies
You're just a fucking cop
No better than me
You're my fucking enemy
Blow off your fucking head
A kick to the face
You're a pussy with a badge
You fill me with hate
Blow off your fucking head
A kick to the face
You're just a pussy ass cop
