# It's Enough

## Sleater-Kinney

Out of sight then out of mind
Not as easy as I expected
Is the reality I find, I find
(And it's sad to hear it)
It's sad to hear it
(And it's sad to talk about it)
Baby, I still need you
(Feel the need to hold you)
Baby, I still care, still care
It's enough to know
That I'm always gonna love you all my life
But to let you go
It's enough to say goodbye
What I wanted, what I want
Are simply not the same things
But it's too late to turn back time, oh time
(Still I want to tell you)
Still I want to tell you
(That I'll always be right here for you)
No matter where you go
(For you)
No matter what you do
It's enough to know
That I'm always gonna love you all my life
But to let you go

It's enough to say goodbye
It's enough to know
That I'm always gonna love you all my life
But to let you go
It's enough to say goodbye
(Still I want to tell you
That I'll always be right here for you)
No matter where you go
(For you)
No matter what you do
It's enough to know
That I'm always gonna love you all my life
But to let you go

It's enough to say goodbye
It's enough to know
That I'm always gonna love you all my life
But to let you go
It's enough to say goodbye
It's enough to know
That I'm always gonna love you all my life
But to let you go
It's enough
It's enough to know
That I'm always gonna love you
