Dear Ruby

Philip Bailey

Ruby, My Dear
Hold back that tear
I know he's gone
Your love has flown
You are all alone
I know you cry
There's no reply
Pain lingers on
It doesn't go
â€˜Cause you'll say so

One day he came to you
Made the music play
His way
You said you'd rather die
Than to say goodbye
Than to say goodbye

But there'll come a day
Though he's away
You'll sing his song
You'll carry on
Ruby, My Dear

One day he came to you
Made the music play
His way
You said you'd rather die
Than to say goodbye

Ruby My Dear
Dear Ruby
Ruby My Dear
Hold back that tear
Ruby my Dear
Dear Ruby
Ruby my Dear
Oooooo hold back the tear
Ruby my Dear
Your love has flown

Ruby my Dear
Youâ€™re all alone
Ooooooooo
I know you cry
Ruby my Dear
Oooooo Thereâ€™s no reply
Ooooooooo Ruby
My Dear
Ruby my Dear
Ooooooooooo
Ruby My Dear
Ooooooooooo
Ruby My Dear
