Through Him (feat. Clay Dubberly)

Doug & Deb

Through Him, all things come.
Through Him, Godâ€™s own Son.
Through Him, the world begun.

For of Him, and through Him and to Him are all things
and to Him, be glory forever.

Through Him, we believe in God (through Him).
And through Him, we can reach up to God (through Him).
We give thanks to our Father, by One Spirit to our Father.
So through Him by grace we might live.
Through Him by grace we can live.

Through Him (through Him), all things come.
Through Him (through Him), Godâ€™s own Son.
Through Him, the world begun.

For of Him, and through Him and to Him are all things
and to Him, be glory forever.

In the worldâ€™s beginning was Jesus.
And through Him, all things were made.
Jesus came, He gave His life, so we might be saved.

Through Him, we believe in God (through Him).
And through Him, we can reach up to God (through Him).
We give thanks to our Father, by One Spirit to our Father.

For of Him, and through Him and to Him are all things
and to Him, be glory forever.
and to Him, be glory forever.
