

# Clairaudients (Kill or Be Killed)

## Bright Eyes

Corporate or colonial  
The movement is unstoppable  
Like the body of a centerfold, it spreads  
To the counter-culture copyright  
Get your revolution at a lower price  
Or make believe and throw the fight, play dead  
It's exploding bags, aerosol cans  
South bound buses, Peter Pan  
They left it up to us again  
I thought you knew the drill  
It's kill or be killed  
Future markets, holy wars  
Been tried ten thousand times before  
If you think that God is keeping score, hooray!  
For the freedom-fighting simulcast  
The imminent and the aftermath  
You draw another bloody bath to drain  
Like the polar icecaps, centrifuge  
First snowman built at the end of June  
He slicks his hair for the interview, his fifteen-minute fame  
Would you agree, times have changed?
