

Reflections

The Supremes

Through the mirror of my mind
Time after time
I see reflections of you and meReflections of
The way life used to be
Reflections of
The love you took from meOh, I'm all alone now
No love to shield me
Trapped in a world
That's a distorted realityHappiness you took from me
And left me alone
With only memoriesThrough the mirror of my mind
Through these tears that I'm crying
Reflects a hurt I can't control
'Cause although you're gone
I keep holding on
To the happy times
Oh, when you were mineAs I peer through the window
Of lost time
Looking over my yesterdays
And all the love I gave all in vain
(All the love) All the love
That I've wasted
(All the tears) All the tears
That I've tasted
All in vainThrough the hollow of my tears
I see a dream that's lost
From the hurt
That you have causedEverywhere I turn
Seems like everything I see
Reflects the love that used to beIn you I put
All my faith and trust
Right before my eyes
My world has turned to dustAfter all the nights
I sat alone and wept
Just a handful of promises
Are all that's left of loving youReflections of
The way life used to be
Reflections of
The love you took from meIn you I put

All my faith and trust
Right before my eyes
My world has turned to dust
