## Me! I Disconnect from You

## **Gary Numan**

The alarm rang for days
You could tell from conversations
And I was waiting by the screen
I couldn't recognize my photographMe, I disconnect from youAnd I was walking up the stairs
Something moved in silence
I could feel his mind decaying
Only inches away from meAnd I disconnect from youI won't be [Incomprehensible]
I won't be [Incomprehensible]Please don't turn me off
Don't know what I'm doing outside
Me and the telephone that never rings
If you were me what would you doMe, I disconnect from you
