Phoenix

Dan Fogelberg

I have cried too
I have cried too long
I have cried too
I have cried too long
No more sorrow
Got to carry onFound deep water
Before I'd even learned to swim
Found deep water
Before I'd even learned to swim
Never thought I'd
See the sun againOnce I was a
Once I was a man alone
Once I was a
Once I was a man alone
Now I've found a
Heart to call my homeLike a Phoenix
I have risen from the flames
Like a Phoenix
I have risen from the flames
No more living
Someone else's dreamsI have cried too
I have cried too long
I have cried too
I have cried too long
No more sorrow
Got to carry onYou almost had me, old lady
You almost tied me down good
You played the lady in waiting
And I waited as long as I couldToo long, the songs have been silent
Too long, the strings have been still
I never knew what you wanted
I guess that I never willLike a Phoenix
I have risen from the flames
Like a Phoenix
I have risen from the flames
No more living
Someone else's dreamsI have cried too
I have cried too long
I have cried too

I have cried too long
No more sorrow
Got to carry on
