On My Own

Boy Kill Boy

Feel the force of the blow
That's the price for getting down
Maybe I understand
Just because I'm doing fineOn my own
I'm better off
On my ownFeel the cold of my hands
That's the price for moving on
Taste the shame on my lips
I know, I know I'll do thisOn my own
I'm satisfied
On my ownStep aside, let their heart decide
The final kiss goodnight, my love
Tears will fall, years will grow, they say
The final kiss goodbye, my loveWipe the sleep from your eyes
The last nights lullabies
It's a smack in the face
I know, I know you'll do thisIn your own wayKeep the wolf from the door
Spend some time getting wellOn your own
We're better off
On our ownStep aside, let their heart decide
The final kiss goodnight, my love
Tears will fall, years will grow, they say
The final kiss goodbye, my loveStep aside, let their heart decide
The final kiss goodnight, my love
Tears will fall, years will grow, they say
The final kiss goodbye, my love
