

Pray for You

Keri Noble

What did you think
You know you don't know me
You don't know what I am ready to prove
It's my family
Mess with us you'll wake the beast
You've been warned it is the least that I can do
Funny how you can't see that you lose
Oh you're too busy trying to make the news
Oh I hate to say it babe but I can see through you
And I don't go to church but I'll pray for you oh

What did you think
Throw a fit and stomp your feet
Save it for your daddy here that shit don't fly
A word of advice
Find out who you want to fight before you run your mouth
Someone makes you cry
Funny how you can't see that you lose
Oh you're too busy trying to make the news
Oh I hate to say it babe but I can see through you
And I don't go to church but I'll pray for you

I know that you think you're justified
Oh listening to other people's lies
I suggest you get yourself another life
Stop trying to live mine oh

Funny how you can't see that you lose
Oh you're too busy trying to make the news
Oh I hate to say it babe but I can see through you
And I don't go to church
But if I did
Oh even if I started right now oh
I
I won't pray
For you
