Monique The Freak

Ween

Oh mercy, girl, you lookin' sexy
Movin' on across the floor
Oh mercy, girl, you look so sexy
Saw you comin' through the door
Oh baby, such a fine lady
Talkin' and your voice is deep
Oh baby, such a fine lady
I can hardly speak Monique
She's a freak, Monique
I think I'm gonna tweek
She's a freak, Monique
I can hardly speak
She's a freak, Monique
I think I'm gonna tweek
She's a freak, Monique
I can hardly speak
Sexy baby, girl, you drive me crazy
Let me take you for a drive
Sexy baby, girl, you drive me crazy
My body comes to life, body comes to life
Got to make you mine
Girl, you so divine
Oh, there's no use tryin'
Make you feel so fine
Gotta have you, girl
Take you 'round the world
Make you start to swirl
Such a lovely girl
She's a freak, Monique
I think I'm gonna tweek
She's a freak, Monique
I can hardly speak
She's a freak, Monique
I think I'm gonna tweek
She's a freak, Monique
I can hardly speak
(Ooh freak, ooh, freak)
Freaky girl, freaky girl, freaky girl
Freaky girl, freaky girl, freaky girl

(Ooh freak)
Freaky girl, freaky girl, freaky girl
Freaky girl, freaky girl
(Ooh freak)
Sexy baby, girl, you drive me crazy
Let me take you for a drive, let me take you for a drive
Sexy baby, girl, you drive me crazy
My body comes to life
Got to make you mine
Girl, you so divine
Oh, there's no use tryin'
Make you feel so fine
Gotta have you, girl
Take you 'round the world
Make you start to swirl
Such a lovely girl
She's a freak, Monique
I think I'm gonna tweek
She's a freak, Monique
I can hardly speak
She's a freak, Monique
I think I'm gonna tweek
She's a freak, Monique
I can hardly speak
