

# Fearless (Instrumental With Background Vocals)

## Taylor Swift

There's somethin' bout the way  
The street looks when it's just rained  
There's a glow off the pavement  
Walk me to the car  
And you know I wanna ask you to dance right there  
In the middle of the parking lot  
Yeah We're drivin' down the road  
I wonder if you know  
I'm tryin' so hard not to get caught up now  
But you're just so cool  
Run your hands through your hair  
Absent mindedly makin' me want you And I don't know how it gets better than this  
You take my hand and drag me head first  
Fearless  
And I don't know why but with you I'd dance  
In a storm in my best dress  
Fearless So baby drive slow  
Til we run out of road in this one horse town  
I wanna stay right here in this passenger's seat  
You put your eyes on me  
In this moment now capture it remember it And I don't know how it gets better than this  
You take my hand and drag me head first  
Fearless  
And I don't know why but with you I'd dance  
In a storm in my best dress  
Fearless Well you stood there with me in the doorway  
my hands shake  
I'm not usually this way but  
You pull me in and I'm a little more brave  
It's the first kiss, it's flawless, really something, it's fearless. And I don't know how it gets better than this  
You take my hand and drag me head first  
Fearless  
And I don't know why but with you I'd dance  
In a storm in my best dress  
Fearless
