

What Did I Ever Give You?

Kaiser Chiefs

Head down, keep your head down
Keep the rent down all the time
Hold tight, to your red stripe
Why do we fight everytime
I wish that you could see me in the day
I hope that you'll remember me that way
Night club, Marlborough Light stub
Stuck to my gob, all the time
I treat you like the see-through
I don't mean to everytime
I wish that you could see me in the day
I hope that you'll remember me that way
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth
Disgraced, back to my place
I'm a complete waste of your time
I'm asleep before the first sheep
Until the last bleep of all time
I wish that you could see me in the day
I hope that you'll remember me that way
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to

All I gave you was grief
Are you sick to your teeth
What did I ever
