

# Feeding Frenzy

## Pendragon

Can you firstly please let me introduce myself and apologise  
I think this time I might have gone too far  
I've been bending your ear for two thousand years  
This is your revenge to the power of fourThe blood in the water turns you on  
I can see you shakeI want to see that ego taken down  
Sometimes it's not always about you  
I want to see that ego taken down  
It's not always what you say it's what you do  
I crave the truth  
I crave the youth  
We are in control nowSocial vampires sons of Cain  
The blood in the water turns you onI want to see that ego taken down  
Sometimes it's not always about you  
I want to see that ego taken down  
It's not always what you say it's what you do  
I crave the truth  
I crave the youthRitualistic hologram  
Floating in the sky  
You really bought into  
This illusionLead me to your taker  
Are you sons of Cain?  
Lead me to your taker  
And the blood suckers reign  
Please let me make this  
Perfectly clear  
I've been lying for years  
Please do let me apologise  
The water is red the sharks  
Are circling around  
It's such a shame you've  
Gone so far off the railsThe water turns red  
The water turns red  
The water turns redI'm really not sure  
This is what Jesus had in mind
