

Down On My Knees

Virtue

[Adlib]
Peaceâ€!

[Chorus]
It was, it was down on my knees
Where I found peace (2x)

[Verse 1]
It wasnâ€™t supposed to be this way
I never thought that I would be
Here where I stand

Then I heard a voice speak to me
Tellinâ€™ me I can make it
Oh, yes I can um humâ€!

[Bridge]
It doesnâ€™t matter where you go
It doesnâ€™t matter who you are
I know Godâ€™s in control

It doesnâ€™t how they gonna sew
You may still feel there is only
One place to go, oh oh ohâ€!

[Chorus]

[Verse 2]
I donâ€™t know anyone
Who can say to the wind and waves
Peace be still

Ohâ€! I have tried other things
Things that only fill me and now here I am
Down on my knees. Oh!

[Bridge]

[Chorus] (4x)

[Vamp]

(Adlib)

If you are looking for peace of mind
That's where you'll find it
Yeah hey!

[Chorus]

It was, it was down on my knees
It was, it was down on my knees
Where I found peace (2x)

Down on my knees. Oh!

[Bridge]

[Chorus] (4x)

[Vamp]

(Adlib)

If you are looking for peace of mind
That's where you'll find it
Yeah hey!

[Chorus]

It was, it was down on my knees
It was, it was down on my knees
Where I found peace (2x)
