

# Same Ground

**Sarah Geronimo**

My love,  
Its been a long time since i cried  
And left you out of the blue.  
Its hard leaving you that way when  
I never wanted to. Self-denial is a game  
Its strange i never wouldve  
Wanted if until there was you. 'Cause i have learned that love is beyond  
What human can imagine,  
The more it clears  
The more i have to let you go. CHORUS:  
It's what I don't understand is why im feeling  
So bad now when i know it was my idea.  
I couldve just denied the truth and lied.  
But why am i the only one standing stranded  
On the same ground? My love because i have learned that love is a  
Word gets thrown a little bit too much.  
The best excuse to fill the infinite abyss  
I never have to if all else fail Would you be there to love me?  
When all else fail,  
Would you be brave to see right through me?
