

# Fight With The Beast

## Onslaught

Bearing the mark of a demon from hell the dragon is cast onto the earth  
Seeking revenge on the woman of man Satanus unleashes his wrath  
Angels of death are the allies of hate the jackals destroying the cross

[Chorus]

Fighting with fire the dragon attacks  
Burning the cross and unleashing the powers of hell  
Cursed are the mortals who dare to fight with the beast

Demons of hell bear the mark of the beast the sons of the dragon are born  
Summoned to earth Armageddon is here to slaughter the Christian hordes  
Destroying the temples Jehovah has lost the Nazarene will fester in hell

[Chorus]

A wrathful attack upon the Christian faith the legions of Satan make war  
Replacing the cross with the mark of the beast the kingdoms of Jesus have fell  
Demons of hell Armageddon is here preventing the coming of Christ  
relinquish your god now that Satan is king the Nazarene will never arise

Bearing the mark of a demon from hell the dragon is cast onto earth  
Seeking revenge on the woman of man Satan's unleashes his wrath  
Angels of death are the allies of hate the jackals destroying the cross

[Chorus]
