

Slave 2 The Rhythm (feat. Michael Jackson)

Justin Bieber

[Verse 1]

She dances in the sheets at night
She dances to his needs
She dances 'til he feels just right
Until he falls asleep...She dances at the break of dawn
And quickly cooks his food
She can't be late, can't take too long
The kids must get to school[Chorus]
She's a slave to the rhythm
She's a slave to the rhythm of love
She's a slave to the rhythm
A slave to the rhythm of love
A rhythm of love, a rhythm of love
She's a slave to the rhythm
She's a slave to the rhythm of love
She's a slave to the rhythm
A slave to the rhythm of love
A rhythm of love, a rhythm of loveShe dances for the man at work
Who works her all the time
She can't be rude as she says so
"I must be home tonight"She dances to the kitchen stove
Dinner is served by nine
She sets his food an hour late
She must be out of her mind...She's a slave to the rhythm
She's a slave to the rhythm of love
She's a slave to the rhythm
She's a slave to the rhythm of love
The rhythm of love, the rhythm of loveShe's a slave to the rhythm
She's a slave to the rhythm of love
She's a slave to the rhythm
She's a slave to the rhythm of love
The rhythm of love, the rhythm of loveShe works so hard, just to make her way
For a man who just won't appreciateAnd don't it takes
And love in vain.
till she could not stop,
Couldn't break his chainsShe danced the night
That they fell out
She swore she'd dance no more
But then she did, it good not quit

And she ran out the doorShe danced through the night
In fear of her life
She danced to a beat of her ownShe let out a cry and
Swallowed her pride
She knew she was needed
Back home, homeShe's a slave to the rhythm
She's a slave to the rhythm of love
A slave to the rhythm
A slave to the rhythm of love
The rhythm of love
The rhythm of loveShe's a slave to the rhythm
She's a slave to the rhythm of love
A slave to the rhythm
A slave to the rhythm of love
The rhythm of love
The rhythm of loveShe's a slave to the rhythm
She's a slave to the rhythm of love
A slave to the rhythm
A slave to the rhythm of love
The rhythm of love
The rhythm of loveShe's a slave to the rhythm
She's a slave to the rhythm of love
A slave to the rhythm
A slave to the rhythm of love
The rhythm of love
The rhythm of love
