

# Ya Gurl

Jordyn Taylor

(If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....  
I wanna be ya gurl.....I wanna be ya gurl.....)Something about you I can't explain...  
and boy I can't deny as I seen you walking by...  
It's your smile that caught my eye,,  
no intentions on hesitate and this I know for sure I can't let you go...I got to make ya(make ya)  
feel it (feel it)  
Pressure (pressure)  
Building (building) up  
I don't play the game to lose, something that I aim to prove  
I'm what's missing (missing)...pay attention.. please don't question!!!  
boy just listen up.. I just want to say,,,,I knowEven though I ain't your gurl... lemme make that choice for you  
I, I know... I, I know I want you....  
Even though I ain't ya gurl,... lemme make the choice for you....I,  
I know....I, I know I want youAnd I can seriously say I'm so amazed and I love....  
your swagger. your style. your walk... how you whisper when you talk...  
I'm not trying to play no games.... hear me when I say I know I can't let you goI got to make ya (make ya)  
feel it (feel it)  
Pressure (pressure)  
Building (building) up  
I don't play the game to lose, something that I aim to prove  
I'm what's missing (missing) pay attention... Please don't question!!!  
boy just listen up... I just want to say...I knowEven though I ain't your gurl... lemme make that choice for you  
I, I know... I, I know I want you....  
Even though I ain't ya gurl,... lemme make the choice for you....I, I know....I,  
I know I want youIf ya like.... kisses really like..... if ya wanna like.... that'll be alright.....  
I wanna be ya gurl.....  
(Oooh, c'mon and make my dreams come true)If ya like.... kisses really like..... if ya wanna like.... that'll be  
alright.....  
I wanna be ya gurl.....
