

# Sugar On the Floor

**Elton John**

You're a stranger to me  
Then you give me your life  
I toss it to one side  
Still you're sweeter to me  
When we lie on the shore It's warm where you are  
But my lips just don't burn  
I feel so insecure  
When you try to be kind  
Could I ask for more Looking at you now I know you only want to find me  
Still I need a reason to leave the past behind me  
Behind me  
There ain't no easy way  
To learn how to fly  
I hope that I can kill  
When I turn around you're there  
Should I ask for more  
I feel like sugar on the floor  
I feel like sugar on the floor
