

# I Am the Cosmos (Alternate Version)

[Chris Bell](#)

Every night I tell myself,  
"I am the cosmos,  
I am the wind"  
But that don't get you back again  
Just when I was starting to feel okay  
You're on the phone  
I never wanna be alone  
Never wanna be alone  
I hate to have to take you home  
Wanted too much to say no, no,  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Never wanna be alone  
I hate to have to take you home  
Want you too much to say no, no  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
My feeling's always happening  
Something I couldn't hide  
I can't confide  
Don't know what's going on inside  
So every night I tell myself  
"I am the cosmos,  
I am the wind"  
But that don't get you back again  
I'd really like to see you again  
I really wanna see you again  
I'd really like to see you again  
I really wanna see you again  
I'd really like to see you again  
I really wanna see you again  
I never wanna see you again  
Really wanna see you again
