Limitless

Nolwenn Leroy

Peeling paint on closing doors
The echoing sound of late night calls
The memories are coming back
Of things that I've done wrongI'm sorry for the freedoms that I've taken
The boundaries that I keep on breaking
Still still trying but I've lost count
Of things that I've done wrongI was running round and wild crashing into walls
Running so fast I always know but you're never sure
All I've got is this love it might not be enough
It's full of mistakes, full of regrets,
It's limitless,
It's limitlessUnderneath my careless ways
Deep inside the truth remains
I cover it up soulfulness
The things that I've done wrongI recognize my foolish self
The things that I've done wrongI was running round and wild crashing into walls
Running so fast I always know but you're never sure
All I've got is this love it might not be enough
It's full of mistakes, full of regrets,
It's limitless,
It's limitless.
