

Zonin'

Nicki Minaj

I used to know this dude, pretty lou
out in LA
said when I'm in LA
then hit up his cell-lay
'cuz he got something nice he wanna put up my belly
he wanna bump and grind sorta like R.Kelly
See money ain't a thang 'cuz my dough is like woah
Pull out my bank roll on a nigga like yo
Let's make a video get the Benny Boom crew
I'm hoppin' out the rov's in my Jimmy Choo shoes
I'm the boss bitch you know I like to talk shit
I'm heavy in the streets
You gonna need a forklift
And daddy lemme cum in your mouth like the dentist
I'm not the apprentice
Don't finish your sentence
