# When I Leave You

## PollyAnna

Hey hello, is there any good
In this speech?
Cause I know, that you know
That I don't know
How to react
In situations like theseYesterday night
I recall don't ever
Try me out again
Stand in the cold again
In the rain, with the pain of a nun
Who lost her ...
Oh no, I just want you to know
I don't know no mercy
Forgotten glory is all that is left
When you talk to me like thatHey hello, it's very ugly
Dirty and cheap
In spite of my habit
I know what is said
What you think
And regret
Why you don't call me back
It's very easy to rest in denial
Forgot how to dial
My cell, my land, my line
My pictures are gone
My eyes on your wall
It's scary to know
That I know, what I know
Now you don't know
If there's a reason to stay
Well hey, I'm vanished away
Have fun in your life
Hope you'll find a wife
A housekeeper, wash machine
Drycleaner, technician
Beauty queenOh no, I just want you to know
I don't know no mercy
Forgotten glory is all that is left
When you talk to me like thatOh no, I just want you to know

I don't know no mercy
Forgotten glory is all that is left
When I leave you
When I leave you
When I leave you
