All the Time

Jack Greene

All the time, yes darling, all the time
Tenderly, constantly, I'll love you
I'll love you, love you everydayI'll prove it everyday
In happiness or loneliness I'll love you
I'll love you, love youOther arms may tempt me
Don't let it worry you
'Cause even if they tempt me
I'll never be untrueAll the time, yes darling, all the time
Through the years smiles and tears, I'll love you
I'll love you, love youOther arms may tempt me
Don't let it worry you
'Cause even though they tempt me
I'll never be untrueAll the time, yes darling, all the time
Through the years smiles and tears
I'll love you, I'll love you
