

Waste A Moment

Fightstar

I'm not asking for much.

I'm not asking for anything. I'm alone, a self, anemic and sometimes I wake up.

If I get hold of this hope inside my head we'd understand and let us down. I'm not asking for much.

I'm not asking for anything.

(I) I won't waste a moment.

(I) I won't waste a moment with you. We're alone and self - anemic and sometimes we wake. I'm not asking for much.

I'm not asking for anything.

(I) I won't waste a moment.

(I) I won't waste a moment. I can run, I can run, I can run, I can run.

Let me go, I can run, I can run, I can run.

Let me go, I can run, I can run, I can run.

Let me go, I can run, I can run, I can run. Just cover up your eyes so I can make sense of it all.

You're waking me up.

Shut your eyes so I can make sense of it all.

I can make sense of it all.

So I can make sense of it all.
