

It Aint You

Squirrel Nut Zippers

I've been searching all over for someone
I can tell my troubles to.
Searching all the wide world over
Is It you?
Are you the kind of man that marries
Then gets his mind on something new?
You've got to let me know
I'm all alone Is it you, baby?
I confide in you
Seem to understand my point of view
I moan and sigh
And you can't understand why.
I've been searching all over for trouble
I could get myself into.
