Storms

Fleetwood Mac

Every night that goes between
I feel a little less
As you slowly go away from me
This is only another testEvery night you do not come
Your softness fades away
Did I ever really care that much?
Is there anything left to say?Every hour of fear I spend
My body tries to cry
Living through each empty night
A deadly calm insideI haven't felt this way I feel
Since many a years ago
But in those years and the lifetime's past
I did not deal with the roadAnd I did not deal with you, I know
Though the love has always been
So I search to find an answer there
So I can truly winEvery hour of fear I spend
My body tries to cry
Living through each empty night
A deadly calm insideSo I try to say goodbye, my friend
I'd like to leave you with something warm
But never have I been a blue calm sea
I have always been a stormAlways been a storm
Ooh, always been a storm
I have always been a stormWe were frailShe said
"Every night he will break your heart"
I should have known from the first
I'd be the broken heartedI loved you from the start
Save us
And not all the prayers in the world
Could save us
