

Time of Revelation (Moving to a Fantasy World)

Uriah Heep

(moving to a fantasy world) Won't you take
A chance my brother
Follow me to a time of revelation
Can't you see that
Destiny will take a turn
And show you
There's no need to fight
'cause you know it's right And I finally see where I'm going
I finally know what I'm knowing
Now our journey's only just begun You won't need to ask forgiveness
What you find
Will be your inspiration
You don't have to pray for glory
All is equal, no more pain
You know it's true, it's up to you 'cause I finally see where I'm going
I finally know what I'm knowing
Now our journey's only just begun Over the bridge
Where you start to believe
Down at the edge of the rainbow
Dark is the night
But we've seen another time
Follow the light of the shadow Right or wrong, there is no reason
There will be no hidden destination
With the strength that you discover
You can show the way
How it was meant to be
For all to see 'cause I finally know
What I'm knowing
I finally see where I'm going
Now our journey's only just begun
