

Happiness

VenueConnection

Lots of money, chillin'™ in my zone
Sexy thang beside me, full of silicone
Beauty and compassion, calls me on my phone
I'm a drunk man searchin'™ for my house
Did I ever have a home?

Time for us to think what we think in harmony
Time for us to say what we say in harmony
Time for us to do what we do in harmony
Release us from this prison, we always had the key

Happiness is something you can't™ buy with money
If you're searching for it, then you're wastin'™ time
Sweet serenity will bring her to your doorstep
Open up let her inside

What would happen without material things?
Maybe we would find the door we forgot way back when
Walk up to the window and welcome the sunshine
And escape this prison to another state of mind

Time for us to think what we think in harmony
Time for us to say what we say in harmony
Time for us to do what we do in harmony
Release us from this prison, we always had the key

Happiness is something you can't™ buy with money
If you're searching for it, then you're wastin'™ time
Sweet serenity will bring her to your doorstep
Open up let her inside
