It's two of me
It's two of meI'm just doing me
I got my gun, you got your gun nigga
You and me
I can't do shit for free bitch
I'm doing me
I gotta get it by myself, I get this money by myself
I swear I do it like it's two of me
I'm Lil Durk two times yeah, I'm Lil Durk two times
I'm Lil Durk two times yeah, I'm Lil Durk two times
I'm Lil Durk two times yeah, Lil Durk two times

I'm like 2Pac, I'm in the A wit Thugga Thugga
Free Guwop, I share my last to wit my brothers
Bring two pops, my DJ on the e-way and he smoking moon rock
My shooters don't hesitate, I told all my niggas we elevate
Get money, fuck bitches, it's better days
Pull up in a coupe, back from 88
We grew up some screw ups, never get money and stay the same
Hate is real, so if you're a hater get time just stay away
I fuck and you tore off the molly and Gatorade
I fuck and you tore off the molly and Gatorade
I fuck and you tore off the lean and perc, put in my surp
Bitches be getting, you tricking wit me, you try to rob
I'mma put you on a shirtI'm just doing me
I got my gun, you got your gun nigga
You and me
I can't do shit for free bitch
I'm doing me
I gotta get it by myself, I get this money by myself
I swear I do it like it's two of me
I'm Lil Durk two times yeah, I'm Lil Durk two times
I'm Lil Durk two times yeah, I'm Lil Durk two times
I'm Lil Durk two times yeah, Lil Durk two times

And if I call for that ish you just know two coming
Pop a wheelie on a bad bitch, two hoes fucking from Miami

Need two bricks to feed the family
Need that kit to feed the family
Got two choppas for the family

I don't love these hoes, and I know it's too random
Bitches be fucking from money, need a check
And I rob nigga for that check
Nigga don't get no respect
Bitches be on me, they fucking who next
Bitches too thirsty, they can't get a check
And I got twenty two thou on my neckI'm just doing me
I got my gun, you got your gun nigga
You and me
I can't do shit for free bitch
I'm doing me
I gotta get it by myself, I get this money by myself
I swear I do it like it's two of me
I'm Lil Durk two times yeah, I'm Lil Durk two times
I'm Lil Durk two times yeah, I'm Lil Durk two times
I'm Lil Durk two times yeah, Lil Durk two times
