Hot N Cold

Katy Perry

You change your mind
Like a girl changes clothes.
Yeah, you, PMS
Like a bitch
I would know
And you over think
Always speak
Critically

I should know
That you're no good for me

'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
(you) You don't really wanna stay, no
(you) But you don't really wanna go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down

We used to be
Just like twins
So in sync
The same energy
Now's a dead battery
Used to laugh 'bout nothing
Now you're plain boring

I should know that
You're not gonna change

Someone call the doctor
Got a case of a love bi-polar

Stuck on a roller coaster
Can't get off this ride

You change your mind
Like a girl changes clothes

'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
(you) You don't really wanna stay, no
(you) But you don't really wanna go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down, down
