

# Never Ending Song Of Love

[John Fogerty](#)

I've got a never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd have a never ending love for you  
I've got a never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd have a never ending love for you  
After all this time of being alone  
We can love one another  
Feel for each other from now on  
Feels so good I can hardly stand it  
I've got a never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd sing my never ending song of love for you, yeah  
After all this time of being alone  
We can love one another  
Live for each other from now on  
Feels so good I can hardly stand it  
I've got a never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd sing my never ending song of love for you  
I've got a never ending love for you
