

# Leave It All to Me

Miranda Cosgrove

I know you see  
Somehow the world will change for me  
And be so wonderfulLive life, breathe air  
I know somehow we're gonna get there  
And feel so wonderfulI will make you change your mind  
These things happen all the time  
And it's all real  
I'm telling you just how I feelSo wake up the members of my nation, it's your time to be  
There's no chance unless you take one and the time to see  
The brighter side of every situation, some things are meant to be  
So give me your best and leave the rest to meI know it's time  
To raise the hand that draws the line  
And be so wonderfulGolden sunshine  
I know somehow it's gonna be mine  
And feel so wonderfulShow me what you can become  
There's a dream in everyone  
It's all for real  
I'm telling you just how I feelSo wake up the members of my nation, it's your time to be  
There's no chance unless you take one and the time to see  
The brighter side of every situation, some things are meant to be  
So give me your best and leave the rest to meLeave it all to me  
(Leave it all to me)  
So make it right  
(Make it alright)  
And see it through  
(You got to)  
You know won't be free until youWake up the members of my nation, it's your time to be  
There's no chance unless you take one and the time to see  
The brighter side of every situation, some things are meant to be  
So give me your best and leave the rest to me  
Leave it all to me, leave it all to me, just leave it all to me
